## PROGRAM DESCRIPTION

With the aging of the boomers, your clients increasingly will face conflicts in estate planning and elder care. Questions will arise within the family such as:

- Who will take care of mom?
- How do you untangle family feuds over the estate?
- Who decides about dad’s health care?

Learn from an experienced mediator and attorney about how senior mediation can address sibling, extended family, and intergenerational disputes in elder care—and what it can mean for your practice.
